

Directions to Casa Nuova

Directions to Lucca from Pisa airport:

The easiest and quickest way to Lucca is on the autostrada. Follow the green autostrada signs to GENOVA. Once on the Genova autostrada, take the PISA NORD and FIRENZE exit. Keep on the FIRENZE autostrada until you see the Lucca exit.

Follow the signs to CENTRO CITTA until you see the walls of Lucca.

Directions to Gugliano from the Lucca ringroad:

Arriving on the ringroad which follows the walls of Lucca city, look for the blue signs to CAMAIORE and follow them. (With the walls of Lucca on your right you will pass a supermarket called Esselunga on the left. It might be an idea to stock up at this point.)

When you cross a bridge over the river SERCHIO the road bends round to the right. Follow this road for about 1 km when you will see a right turn signposted in blue to PONTE A MORIANO and CASTELNUOVO. Turn right here and follow this road for approximately 2 kms.

After passing through SAN QUIRICO A MORIANO look out for a left fork where GUGLIANO is signposted.

Follow this road which winds up to the top of the hill to Gugliano (through Mastiano and a beautiful valley). This part should take about 10 minutes.

On arriving at GUGLIANO the road divides. Take the higher road up towards the church. Turn left around the church (literally!) and go straight ahead (don't turn right) up a dirt road for 200 meters and you have arrived at the house.

The alternative route from the Lucca ringroad (passing the big Esselunga supermarket in PONTE A MORIANO):

Arriving on the ringroad which follows the walls of Lucca city, look for the blue signs to ABETONE and follow them. This route will take you past a large Esselunga on the right to PONTE A MORIANO. When you see the piazza on the right take the next left over the bridge and follow the road round to the right. The first on the left takes you up through Mastiano to GUGLIANO. This part should take about 10 minutes.

On arriving at GUGLIANO the road divides. Take the higher road up towards the church. Turn left around the church (literally!) and go straight ahead (don't turn right) up a dirt road for 200 meters and you have arrived at the house.
